I. OBJECTIVE

This RFP is intended to foster effective, fair, and broad-based competition for public procurement within the free enterprise system. It is unethical for any person to offer, give, or agree to give any CID Board Member, employee, business associate, or relative a gratuity as an inducement for the award of a bid. The goal of the RFP is to select the most qualified firm, and a fair and equitable fee, to be paid for services, will be negotiated following selection.

II. BACKGROUND

The Evermore CID is an organization of commercial property owners located on Highway 78, between Snellville and Stone Mountain, in Gwinnett County. The mission of the CID is to establish a vibrant, upscale destination area, improve business development opportunities, and enhance property values by developing and promoting coordinated transportation improvements and community character improvements to benefit property owners, business owners, and residents along the Highway 78 corridor.
